Austrian Arbitration Academy

July 14 – 28, 2018
Lake Wolfgang, Austria

Organization

The **Austrian Arbitration Academy** is organized by the Sommerhochschule of the University of Vienna which has been hosting an international summer school with a strong focus on European and International Law since 1949. Every summer participants from all over the world attend seminars and spend time together as a part of an international community on a campus on the shore of Lake Wolfgang.

The Austrian Arbitration Academy is a **two-week program** for both **regular students of the univie: summer school** and **participants who take part only in this special arbitration program**. It addresses the following groups of participants:

- **Students and law school graduates** interested in the world of international dispute resolution.
- **Young practitioners** looking for a comprehensive course giving them first-hand insights into the world of international arbitration.

Professor **Paul Oberhammer** (Vienna/London/St. Gallen) acts as course director. The classes will be taught by first class international arbitration practitioners from both the bar and academia.

We had the incredible opportunity to meet some of the most important arbitration lawyers and professors from all over the world.

Paloma Castro Hernandez, Spain

Course

The Austrian Arbitration Academy takes place from **July 14 to July 28, 2018** and consists of 64 contact hours. (Each contact hour consists of 45 minutes classroom teaching.)

Classes will be held Monday to Friday mornings with an introductory session on Sunday July 15. In additional **afternoon and evening workshops** the participants will discuss salient issues of international arbitration with special guests from the international arbitration community. On **July 27**, a written exam will take place. The day before the exam, a special Q&A session will help the participants to prepare for the exam.

The classes will cover the following issues:

- Introduction to International Arbitration
- The Arbitration Clause
- The Arbitral Tribunal
- The Arbitral Proceedings
- The Arbitral Award
- The Challenge of the Award
- The Enforcement of the Award
- Introduction to Investment Arbitration

Successful participants will receive the **University of Vienna – Austrian Arbitration Academy Diploma**.

I especially enjoyed the interactive discussions with classmates from a diverse range of countries, and have made many long-lasting friendships!
